Your Student's Classes at a Glance:

Reading/Language Arts- I would like to thank you all for your help and support with the game research projects. As a whole, students did a fantastic job; with many students going above and beyond making posters to go along with their papers. This week we will be reading Two Bad Ants and will take the test together on Thursday. No spelling this week ☺

Math: We will continue to learn about fractions, decimals and percents this week.

Science: Our chapter test over volcanoes, earthquakes, and landforms will be on Tuesday of this week. It will be an open-book, open-note format.

Social Studies: We will discuss the Declaration of Independence along with the Constitution and the first Ten Commandments.

Music: What an awesome year - Enjoy your summer vacation.

Spanish: Wow! School is coming to an end quickly and still so much to do. Students are completing any unfinished work that needs to be turned in and doing some review with worksheets to help retain what they have learned and planning on just having lots of fun! Have a great summer!
