Registration for the 2010-2011 School year is open. All returning families receive 50% off registration fees if you are enrolled by this Friday, May 21st! Stop by the office for your registration materials.

Your Student's Classes at a Glance:

Reading/Language Arts: Mark your calendars for our Biography Fair Presentations on Thursday, May 20th from 1:45-2:45 in the cafeteria. All parents and relatives are invited. I have truly enjoyed teaching your student this school year. I hope you enjoy your summer, and I look forward to seeing you back at Heir Force in August.

Math: We have finished chapter 3 in the 7th grade book. On Monday will review chapter 3, and take practice test 3A. Their final test will be on Tuesday, the 18th over chapter 3. On Wednesday, we will make corrections to their test. Wednesday will also be the last day to turn in any missing assignments. Thursday, we will wrap up the year. If students would like to bring in any snacks to enjoy during our last official math class, they may do so on Thursday.

Science: Students had to design a bridge that is light weight, but can withhold pressure when weight is added. Last week they assembled their bridge. We will be holding the bridge breaking contest on Tuesday 18th between 1:21 and 3:00. Please feel free to come by and watch. We hope to see you there!

Social Studies: On Monday and Tuesday, students will use this time for the bridge building/breaking contest. On Wednesday and Thursday we will be reviewing map skills and geography.

Music: Thanks for a great year. Have a wonderful summer!

Spanish: Wow! School is coming to an end! Students will be completing any unfinished work that needs to be turned in for credit. They also have to complete their family story and turn in. Any of this work can be worked on at home. Please encourage your child to turn any unfinished work so they can get credit. Have a great summer!
