Apply and Get Admitted

Student must apply to the college or university for College Credit Plus

College will evaluate student placement test scores to ensure student is “college-ready”

Student Choice

You choose the course(s) that fits your pathway. Each must be secular, apply toward a degree or workforce certification and confer college credit.

Talk to your counselor about your academic plan and career goals. Review the school's model pathways.

Under what scenarios can a qualified student use College Credit Plus?

You want to take college courses to satisfy your high school graduation requirements.

You completed your high school graduation required classes and you want to begin college work.

You want to explore college and take a course in a subject that interests you.

A semester college course of 3 or more credits counts as a one-year high school class.

Books and Fees

Students attending a public college do not pay for either books or fees.

Students attending a private college may have a small cost for tuition. Home school students must pay for textbooks.

If you fail the course or drop it too late, you may have to pay for it.
